

*Write Your Romance*

**GET THE GLORY OF  
YOUR FIRST PUBLISHED STORY!**

## HAVE YOU EVER SAID THE FOLLOWING?

*I promised myself that I'd write my book this year.*

*I've always wanted to be a published author.*

I don't have time to do it, but I really want to!

In the Write Your Romance Course you will learn HOW to write a romance novel, have the tools and support to get it done and have a published copy in your hands to give or sell to your friends!

Learn how to write your story, and have the support you need to confidently create and finish it, even if you've never done it before...and without worrying about researching HOW to do it, finding editors or publishing it yourself.

## THIS IS COURSE IS FOR THE FOLLOWING WOMEN:

- Those who have always had the dream of writing but don't know how to start.
- Women who may have started a novel, but then had trouble getting it finished.
- Women who would like to rewrite their own love story.
- Women who want to be empowered and have a better understanding of themselves.
- Women who want to have a sense of accomplishment without having to figure everything out by themselves.
- Woman who have been through a breakup and want to heal.

## Benefits

**You will have a finished, published story in a book format that you can sell!  
You will have a deeper understanding of yourself, you will feel emotionally uplifted and see your relationships from a new perspective.**

In this course you will write a short romance novel where...

***YOU** will be featured as the heroine of the story!*

Through intriguing questions, you'll get a new view of who you are and what you desire. You'll also build up more confidence, compassion and **love** for yourself.

We help new and aspiring female authors with a story bursting inside, get over the **fear and overwhelm** of writing, so they can get it **DEVELOPED and WRITTEN**.

Through this process you'll have the opportunity to become more empowered so that you may tackle any task while also gaining an understanding of yourself that could lead to **transformational growth**.

## ADDITIONAL BENEFITS OF JOINING THIS COURSE

### You won't have to...

- go through this process alone because writing can be a lonely activity.
- do the research on the genre.
- find editors or figure out how to put it together.
- figure out how to get it published.

### You will...

- get copies of your book.
- have a strategy for duplicating this process and producing more books.
- have applicable techniques for getting things done and accomplished.
- have a finished, edited story.
- have greater insight into the wonderful person that you are!
- have something you've created that you can sell.
- feel a sense of pride and accomplishment.
- have bragging rights and feel empowered.
- receive the gift of your friends bragging about you, their Author Friend!
- have someone who coaches and leads you through the whole journey.
- be encouraged every step of the way.
- be rewarded for staying on track.
- have instant credibility, plus a new fan base.
- possibly have the beginning of a new venture for you.
- be able to help others and inspire them through YOUR writing.
- leave a legacy.
- get to share your story with the world.
- opportunities that you didn't expect!

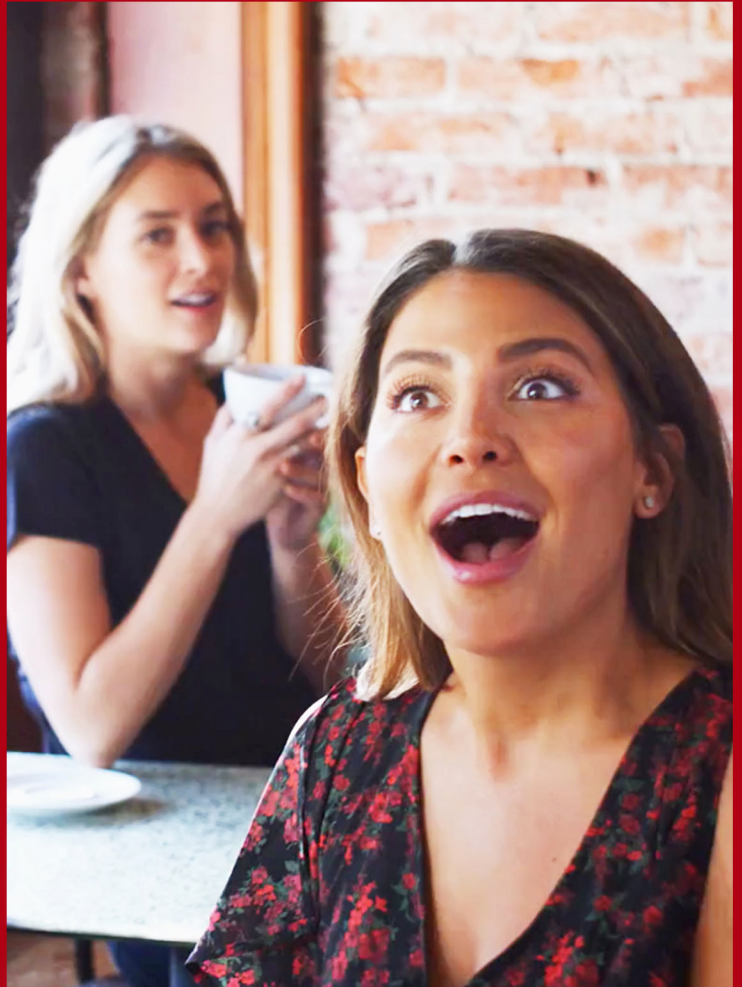

## HERE ARE SOME OTHER BENEFITS OF WRITING

It allows you to help others by sharing your experience.

Becoming an author allows you to help far more people than you could reach in person.

You can share your story and experiences with a large audience across the world by writing a book. You never know who will read it or what could happen as an author. Doors may open to unexpected opportunities, like maybe even having that story turn into a show on television! (*A dream to be true!*)

## \**Extra Bonus on Expressive Writing*

Expressive and reflective writing is a researched and established way of cultivating well-being in your life that may lead to better physical and emotional health. It empowers you to integrate new understandings of the past into a liberating awareness of the present.

# WHAT MAKES THIS COURSE DIFFERENT?

It is taught by Angelina Sol who has spent 15+ years as an entertaining, life changing, trainer, facilitator and instructional designer. She also holds a Master's Degree in Literature and has written several books under pen names. With a background in the entertainment industry, she knows how to keep things moving, interesting and fun while teaching what you need to know. She has done the exhaustive studying and research to know the various elements that are necessary to make a novel work. This will be a unique opportunity to explore your own wants and needs while taking an objective look at what makes you who you are, while creating a work of fiction where you get to fulfill any fantasy you desire!

**WE WILL ENGAGE IN (OPTIONAL) EXPRESSIVE WRITING DURING THIS COURSE WHERE YOU WILL BE VALIDATED AND SUPPORTED EVERY STEP OF THE WAY.**

*So are you...*

Ready to finish writing a story and have help writing it?

Ready to be a published author *this year?*

Ready to have a better understanding of who you are that you've never had before?

Then, let's begin!

Don't let your story simply reside inside of you.

It's time to release your creativity, to define a new proclivity.

It's time to set your own self free, get to know the real you and all you're meant to be!
